[Android Fxguru Unlock Code](#)

The screenshot shows the AppDelDia app interface. At the top, there's a status bar with various icons and the time 17:36. Below that is the AppDelDia logo and a piggy bank icon. The main content area features the 'FxGuru: Movie FX Director' app by Picadelic. The app is currently free, with a crossed-out price of 0,89€. A green 'Gratis' button is visible. Below the app title, there's a paragraph of text explaining that users need to enter a code to unlock special effects. The text mentions that movies like 'ET', 'Jurassic Park', and 'El Señor de los Anillos' have won Oscars for Best Visual Effects. It then states that with 'FxGuru: Movie FX Director', users can add similar visual effects to their videos. At the bottom, there's a list of other apps: 'FxGuru: Movie FX Director' (Today, Gratis), 'Grudger' (Yesterday, 1,66€), and 'Forever Lost' (1,72€).

Para desbloquear los efectos especiales, tendréis que introducir un código. Aseguraos de leer la siguiente descripción al completo. :)

¿Qué es lo que 'ET', 'Jurassic Park' y 'El Señor de los Anillos' tienen en común?... Todas ellas han sido galardonadas con un Oscar en la categoría de "Mejores Efectos Visuales". :)

Y ahora con "FxGuru: Movie FX Director" también podéis añadir efectos visuales dignos de un Oscar a todos vuestros vídeos. :)

	FxGuru: Movie FX Director Hoy	Gratis
	Grudger Ayer	1,66€
	Forever Lost	1,72€
